NEW: JOURNAL PAPER ON NORDIC NUCLEAR EMERGENCY PREPAREDNESS RESEARCH AFTER THE FUKUSHIMA ACCIDENT

NKS would like to draw your attention to a new publication in Journal of Environmental Radioactivity, describing inter-Nordic collaboration focusing on the nuclear emergency preparedness research activities launched under the NKS-B programme in recent years addressing issues of relevance to the problems encountered worldwide in connection with the Fukushima accident.

To access the paper directly from Elsevier publishers, click <https://authors.elsevier.com/a/1XUzd,62~nNgzQ>, and then on the pdf download icon in the top of the screen.

Note that this free link to Elsevier is available until the 22nd of September. After that a version of the paper will be available at http://www.nks.org/en/this_is_nks/articles/

This NewsFlash together with additional information on NKS and its activities can be found on www.nks.org.
