

Institutt for energiteknikk
OECD HALDEN REACTOR PROJECT

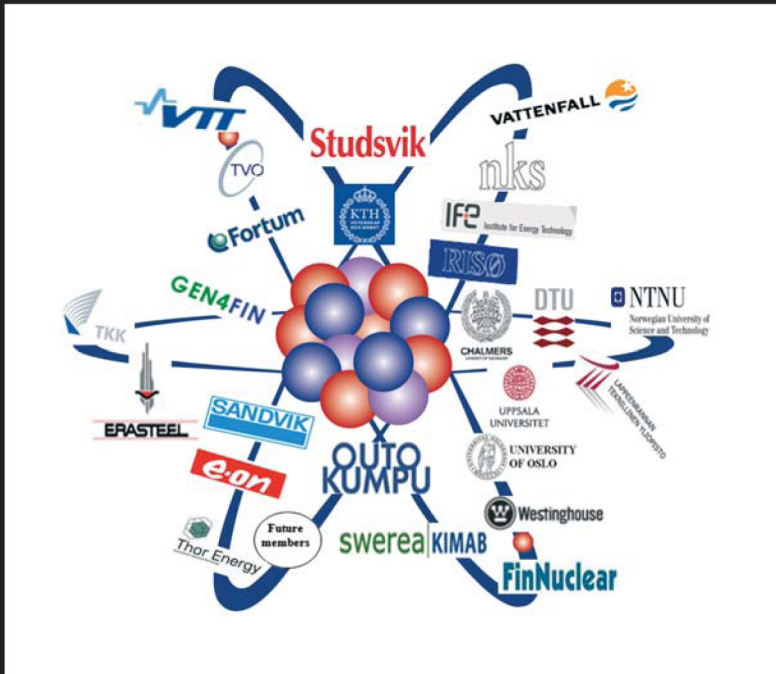

Invitation to seminar on Generation IV Nuclear Energy Systems

organized by

NOMAGE 4

Nordic Nuclear Materials Forum for Generation IV Reactors

*Park Hotel Halden, Norway
31st October-1st November 2011*

http://www.studsvik.com/Generation_IV

2011

Scope of meeting

- All Generation IV reactor concepts (sodium, gas, supercritical water, lead-cooled, molten salt)
- Materials (structural materials and fuel)
- Coolant chemistry (moderator/coolant)
- Corrosion
- Reactor physics, dynamics and diagnostics
- Core and fuel design
- Thermal-hydraulics
- Reactor Safety
- Waste disposal
- Experimental facilities and instrumentation
- Environmental aspects

You are invited to present your Generation IV activities in a presentation of 20+5 minutes. Please send us the title of your presentation together with the registration form.

A poster session is planned. If you are interested to have a poster, please send a summary describing the poster together with the registration.

A panel discussion will be held at the end of the second seminar day to summarize the materials challenges for the new generation nuclear energy systems.

The participants will have the possibility to visit the Halden reactor, as well as the workshop.

Students from the Nordic countries are encouraged to apply for support from NKS to participate in the seminar and to visit different facilities. More info can be found at NKS website:

(http://www.nks.org/dk/b_programmet/travel_assistance/travel_assistance.htm)

Please send the confirmation of your participation together with the registration form before 14th of June 2011 to:

Rudi Van Nieuwenhove (rudivn@hrp.no)

We are looking forward to meeting you in Halden!

Registration fee:

For early registration (before 14th June 2011) there is a registration fee of 200 Euro. After 14th June 2011, the registration fee is 250 Euro. Student early registration fee is 100 Euro. After 14th June 2011, the student registration fee is 125 Euro.

Payment information:

IBAN Account nr : NO79 5102.05.00550
Bank Name : DNB NOR ASA, Lillestrøm, Norway
Swift Code : DNBANOKKXXX

Please mark your payment : “**NOMAGE 4 Seminar**” and your name
A preliminary agenda will be sent to all the participants soon.

For more information, see: (<http://www.ife.no/hrp>)

For more administrative enquires, please contact

Mrs Hilde Offenberg (Hilde.Offenberg@hrp.no)

For enquires about the technical programme, please contact

Rudi van Nieuwenhove (rudivn@hrp.no)

Lecture material:

All material will be provided to participants on memory sticks and after the meeting the material will be present on the Generation IV website.
