

# Short note on status of the website, NewsLetters etc.

Finn Physant  
The NKS Secretariat

## Website

- The new version of the website was opened in May 2012 and has so far proven quite flexible and user friendly - especially for carrying out the Fukushima Seminar January 2013.
- For the new sites we started obtaining statistics from a Google site starting November 2012. Here you have some main monthly figures for the first one and a half year:

## nks.org user statistics

## **NewsLetters and NewsFlashes**

- Since the last board meeting three NewsFlashes have been distributed.
- January 21: summary report from the January board meeting with the result of CfP 2014.
- February 18: upcoming seminars and new reports etc.
- April 28: upcoming seminars and new reports etc.
- A NewsLetter will be prepared for distribution a week before the board meeting June 2014.
  
- There is a list of more than 480 e-mail addresses, to which our electronic letters are forwarded.

## **Other kinds of info material – new pamphlet**

- A new and updated English version of the pamphlet “Nordic Nuclear Safety Research” has just been published.
