

REMINDER: CALL FOR PROPOSALS 2022

NKS invites proposals for activities to be supported (up to 50% of total cost) in 2022 under the NKS-R and NKS-B programmes from an expected budget of at least **3 million DKK** for each programme. No specific priorities have been identified with this call, but proposals must address at least one of the research areas as described in the respective NKS-R and NKS-B frameworks. Information regarding the NKS-R and NKS-B frameworks as well as instructions for applicants and application forms can be found via the links below.

NKS-R Programme

Please note that the deadline for submitting proposals is the 15th of October 2021 (for both NKS-R and NKS-B)

Note that we will work constructively and flexibly together to solve any corona related challenges that might occur. Such concerns should thus not at all keep you from applying for new projects.
