NKS-B GammaSkill

Training and seminar for users of gamma-ray spectrometry 26-28 September 2023, STUK – Radiation and Nuclear Safety Authority, Vantaa, Finland

The GammaSkill seminar, relevant to all gamma spectrometry practitioners in the Nordic countries, will be held in STUK's new building at 27-28.9.2023. The training event designed especially for students and younger scientists will be held a day earlier, i.e., 26.9.2023 in STUK. The scope of the seminar will be broad allowing a range of topics in gamma-ray spectrometry to be considered. High-level international experts are invited to give talks on selected topics and challenges in gamma-ray spectrometry.

Detailed information on the seminar and training is available at the GammaWiki site (http://halla.gr.is/wiki/GammaWiki/index.php/GammaSkill_2023) where you can find the registration form. Further information will be sent to the registered participants in due time.
